1.0 Background

West Yorkshire and Harrogate has been identified as one of six regions to work in partnership with NHS England to develop an approach to better support unpaid carers across our area.

There are an estimated 260,000 unpaid carers living in West Yorkshire and Harrogate, including children and young people caring for parents with long-term health conditions.

Many carers are 'hidden' and provide the majority of care without formal support. Being a carer can be stressful and have a major impact on your health, relationships, education and employment. With this in mind we are working with NHS England to ensure that identifying carers and supporting them is further embedded within our work. This includes developing ways to support the existing and future workforce who balance caring responsibilities, signposting and identifying service standards for all organisations – not just in the public sector.

To support this work we wanted to gain an understanding of the organisations across West Yorkshire and Harrogate that provide support for unpaid carers. A mapping exercise was undertaken and this report provides a summary of that exercise.

2.0 Methods used to collate data

A survey (see appendix A) was sent out on 15th December 2017, to a wide range of organisations that provide support for unpaid carers across West Yorkshire and Harrogate (see appendix B for the list of organisations), the survey was also shared by the unpaid carers workstream leads to their contacts. Reminder emails were sent out on a number of occasions to encourage people to complete the survey. The deadline for completed surveys was 31st January 2018.

The survey asked them to tell us about their organisation, the range of services they provide, who they provide these services for and how they communicate with their carers.

In addition to the feedback from the surveys, we also reviewed the information collated from the Unpaid Carers event that was held on 14th December 2017. Approximately 60 people attended the event from various carers organisations, Healthwatch, local authority colleagues, national colleagues, carers and some of the priority programme areas of West Yorkshire and Harrogate Health and Care Partnership, which included cancer, urgent and emergency care and stroke. Examples of good practice collated at the unpaid carers event can be found in appendix E. And a copy of the report from this event can be accessed [here](#)

3.0 Overview of feedback

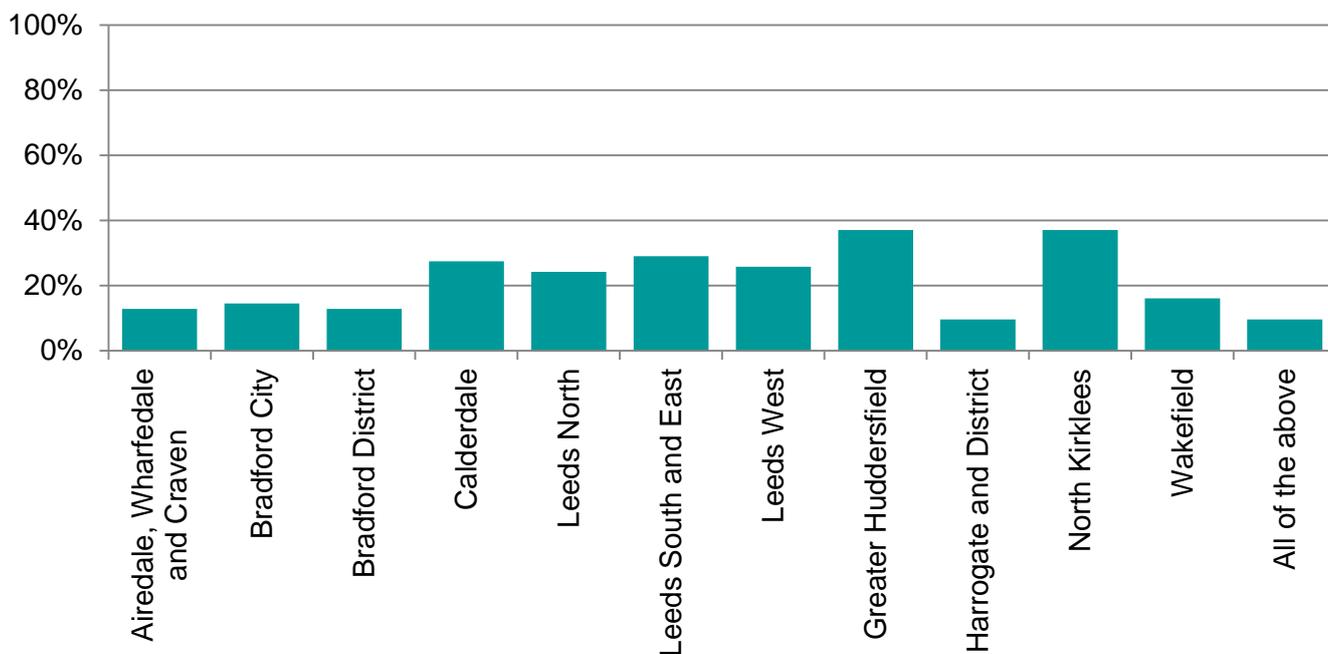

From the survey, we received responses from 53 organisations across West Yorkshire and Harrogate (see appendix C for a full list of organisations and appendix D for a directory of organisations).

The tables clearly show the difference in the number of organisations that provide services in each of the locations, the range of services provided and who these services are provided for. However it should be noted that the information collated in this report is only a reflection of the

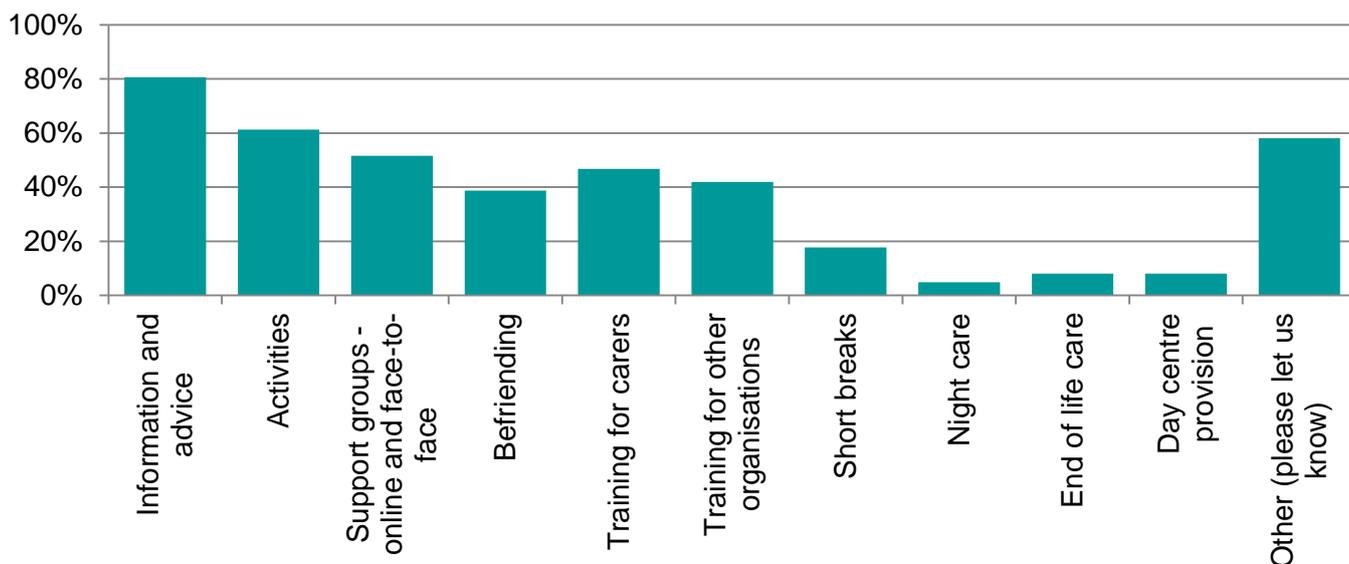

information provided to us through this mapping exercise, and as such may not reflect the full range of services provided across West Yorkshire and Harrogate.

Q. Which areas of West Yorkshire and Harrogate do you provide your services?

As can be seen from the table below, from the responses received Greater Huddersfield and North Kirklees had the highest number of organisations in their area providing services for unpaid carers.

Q. What type of services do you provide?

From the responses received, the most common services provided was information and advice, followed by activities and support groups. In the other category were:

- Emotional wellbeing support

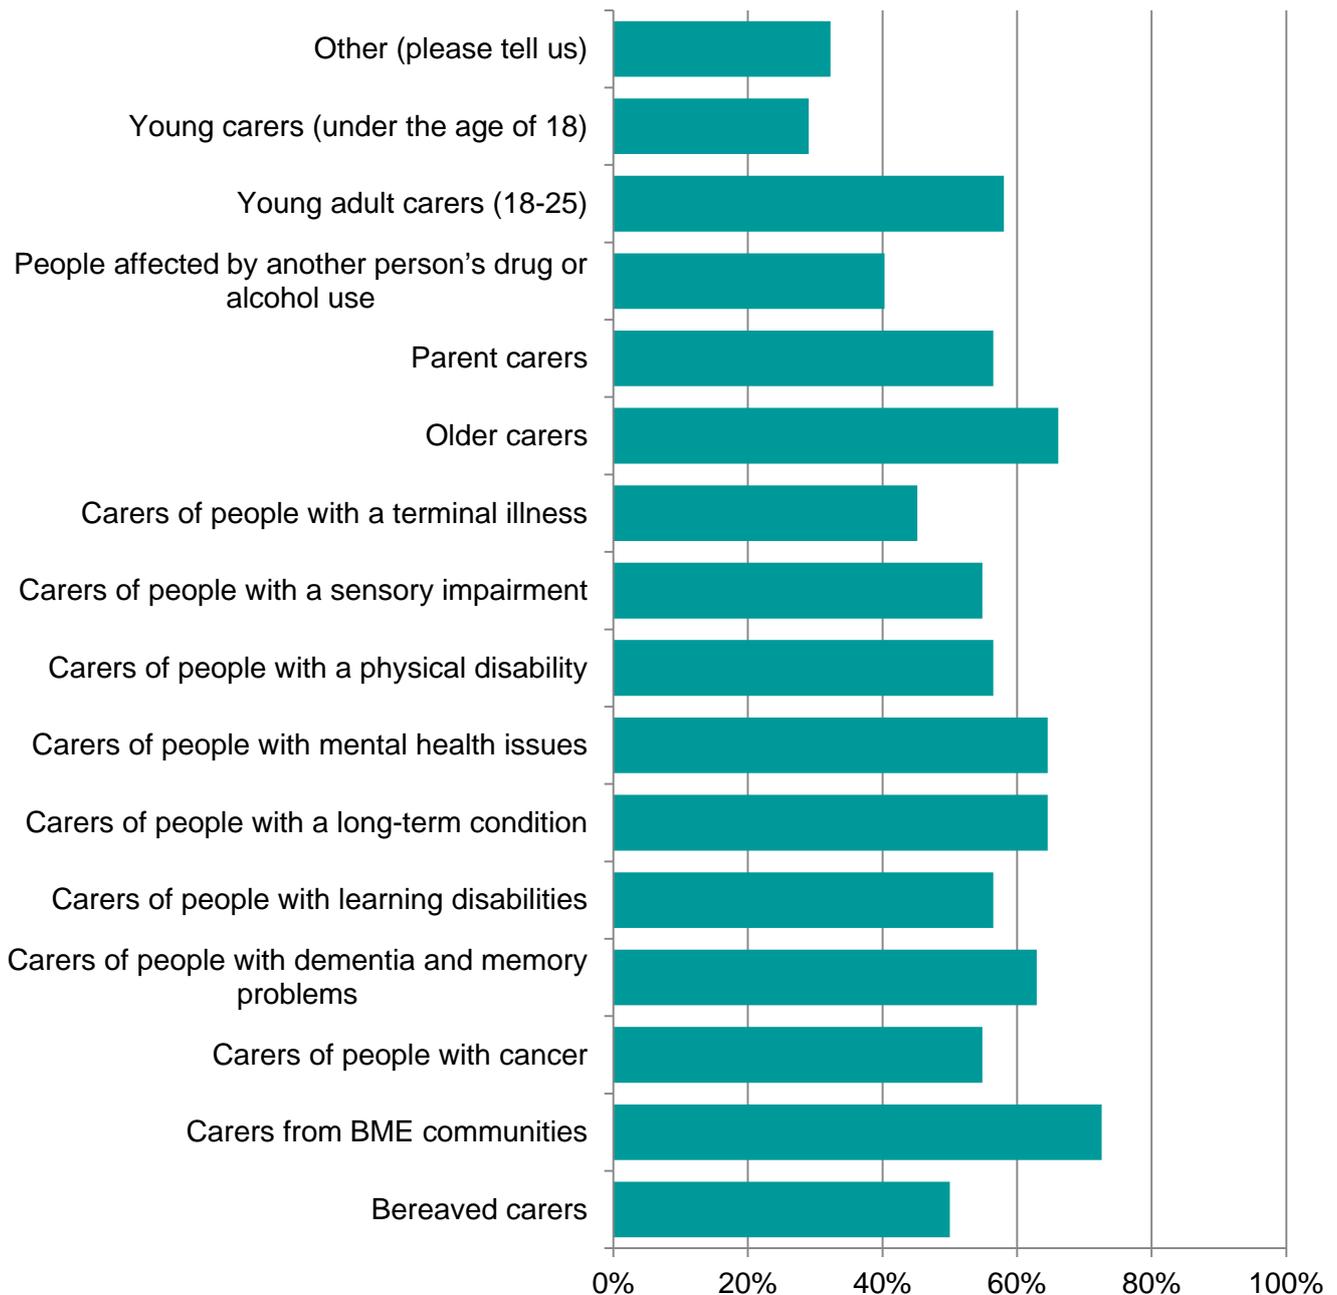

- One to one support
- Drop-in service
- 24 hour advice line
- Dementia Café and Memory Lane Café
- Individual, group and online therapy
- Complementary Therapy
- Bereavement support
- Social work support
- Advocacy - help carers have a voice and be heard
- Opportunities to get involved and support them to have a voice
- Raise awareness of carers rights and issues
- Mobility and living aids and shopmobility service
- Home Helpers and handyperson service
- Community Nursing Support
- Memory Support Workers
- Admiral nurses
- Epilepsy Specialist Nurses Specialist Paediatric Epilepsy Nurse
- Funding for Third Sector Organisations supporting carers

The table below provides a breakdown by area of the services provided and the number of organisations that provide those services.

Area	Services provided										
	Activities	Befriending	Day centre provision	End of life care	Information and advice	Night care	Short breaks	Support groups – online and face-to-face	Training for carers	Training for other organisations	Total number of organisations

	1-5 organisations
	6-10 organisations
	11-15 organisations
	16-20 organisations
	21+ organisations

Q. How do you keep in touch with carers and let them know about services / support that are available?

Most organisations use a range of communication mechanisms.

Other methods included:

- Face to face
- Letter
- Telephone
- Whatsapp
- Open Forum's
- Drop in's
- Social events
- Carers Boards in GP practices
- Regular meetings
- Flyers to GP surgeries, local hospital, community mental health team, social services, carers resource and other allied services

4.0 How the findings will be used

The mapping exercise has helped towards gaining an understanding of the range of organisations and type of services being provided for unpaid carers across West Yorkshire and Harrogate.

The information from this mapping exercise will be used to support the development of an approach to improve the support for unpaid carers in West Yorkshire and Harrogate.

Appendix A: Survey

Mapping of carers organisations across West Yorkshire and Harrogate

West Yorkshire and Harrogate has been identified as one of six regions to work in partnership with NHS England to develop an approach to better support unpaid carers across our area.

There are an estimated 260,000 unpaid carers living in West Yorkshire and Harrogate, including children and young people caring for parents with long-term health conditions.

Many carers are 'hidden' and provide the majority of care without formal support. Being a carer can be stressful and have a major impact on your health, relationships, education and employment. With this in mind we are working with NHS England to ensure that identifying carers and supporting them is further embedded within our work. This includes developing ways to support the existing and future workforce who balance caring responsibilities, signposting and identifying service standards for all organisations – not just in the public sector.

To support this work we want to gain an understanding of the organisations across West Yorkshire and Harrogate that provide support for unpaid carers.

We would appreciate if you could take the time to complete this survey. The survey can also be accessed online at <https://www.surveymonkey.co.uk/r/WYHPCarers>

Q1. Name of your organisation

--

Q2. Contact details for your organisation

--

Q3. Which areas of West Yorkshire and Harrogate do you provide your services? (please tick all that apply)

Airedale, Wharfedale and Craven		Leeds South and East	
Bradford City		Greater Huddersfield	
Bradford District		Harrogate and District	
Calderdale		North Kirklees	
Leeds North		Wakefield	
Leeds West		All of the above	

Q4. Please provide a brief description of your organisation

--

Q5. What type of services do you provide? (please tick all that apply)	
Information and advice	
Activities	
Support groups – online and face-to-face	
Befriending	
Training for carers	
Training for other organisations	
Short breaks	
Night care	
End of life care	
Day centre provision	
Other (please tell us)	

Q6. Who do you provide your services for? (please tick all that apply)	
Bereaved carers	
Carers from BME communities	
Carers of people with cancer	
Carers of people with dementia and memory problems	
Carers of people with learning disabilities	
Carers of people with a long-term condition	
Carers of people with mental health issues	
Carers of people with a physical disability	
Carers of people with a sensory impairment	
Carers of people with a terminal illness	
Older carers	
Parent carers	
People affected by another person's drug or alcohol use	
Young adult carers (18-25)	
Young carers (under the age of 18)	
Other (please tell us)

Brief description of organisation						
We provide, through our Memory Support Worker service and helpline, holistic support to people affected by dementia (people with a diagnosis and carers) throughout their journey with dementia. This includes support to get a diagnosis, home visits/telephone support and information/advice on all aspects of dementia. Referrals are from Memory Clinics, GPs and self-referral. Support is open-ended working to identified needs on support plans. Individual carer needs are signposted/referred to Carers Leeds for additional support.

Brief description of organisation						
<p>We provide ongoing practical and emotional support to people living with dementia and their carers, and anyone else who may be affected. All support is tailored to individual needs and we may provide support on such topics as understanding any type of dementia, coping mechanisms for behaviour and communication changes, benefits and lasting power of attorney advice and information, referrals to social care direct and other agencies to best support a person's needs. We work closely with GP surgeries, memory clinic and Pinderfields hospital to support as many people affected by dementia as possible.</p> <p>We also provide forget-me-not cafes and singing for the brain groups across each month; these are opportunities for people affected by dementia to come together, socialise and carry out activities.</p>

Leeds West	Leeds South and East	Greater Huddersfield	Harrogate and District	North Kirklees	Wakefield
Brief description of organisation					
<p>Better Leeds Communities aims to make Leeds a better place to live for everyone in the city's communities.</p> <p>Our mission is to create opportunities that enable people to achieve their potential by raising aspirations, removing barriers and developing abilities that lead to a better life; we seek to do this through:</p> <ul style="list-style-type: none"> • Improving Economic Wellbeing • Providing Sustained Support for Families • Improving Employability <p>Better Leeds Communities is a multi-purpose community anchor organisation. We work with, and work to, bring Leeds diverse and marginalised communities together by:</p> <ul style="list-style-type: none"> • Empowering individuals to work with and support their communities • Building dialogues within communities • Creating and supporting community led solutions. <p>Better Leeds Communities has a track record of working with families in lower socio-economic groups, those from BAME and newly arrived communities. For over 35 years we have delivered successful projects across Leeds; we have worked with children, young people and families; with individuals; and have experience of working with complex family households.</p> <p>We are skilled at working with and supporting people living with multiple complex challenges who face barriers to developing their skills, improving health and wellbeing, or moving into secure employment.</p> <p>Projects delivered to address the complexities have included:</p> <ul style="list-style-type: none"> • Advice on debt, housing, energy • Working with children and young people • Hosting men's and women's groups addressing health and wellbeing and social isolation • Promoting health and wellbeing to families • Running community events and celebrations <p>Better Leeds Communities have a commitment to the voice of service users. We have developed approaches that put people at ease, to instil trust in us; we want to actively empower those we work with - we do this through offering support and challenge, using motivational interviewing, to set individual goals and milestones.</p> <p>Better Leeds Communities has successfully supported and influenced our target communities – we understand those we work with and build trust; communities often have mistrust of organisations seen as intruding in their lives – this can result from cultural differences or mistrust in organisations with links to, or who undertake work on behalf of, statutory bodies.</p>

Location of service provision						
Airedale, Wharfedale and Craven		Bradford City	Bradford District	Calderdale	Leeds North	
Leeds West	Leeds South and East	Greater Huddersfield	Harrogate and District	North Kirklees	Wakefield	
Brief description of organisation						
Bradford District Care NHS Foundation Trust (BDCFT) is an award winning provider of high quality mental health, community and learning disability services to a growing population of 580,000 people across a diverse district comprising urban and rural Bradford, Airedale and Craven. Our health care services look after the 'whole person', caring for their physical and mental health needs and cover all ages. We work with individuals, their carers and our partners to ensure that people get the right care, in the right place with the right support.

Additional information about organisation						
Within our organisation we have created a "Carers Hub" based on a hub and spoke model to reach out to carers caring for those using our services. The Carers Hub provides carers with a chance to meet other carers, access information and support, participate in free activities and take some time out for themselves.

Leeds West	Leeds South and East	Greater Huddersfield	Harrogate and District	North Kirklees	Wakefield	
Brief description of organisation						
Carers Leeds provides information, advice and support to unpaid carers. Our Advice Line is the single point of access for all adult carers (aged 16+) in Leeds. Telephone advice is available Monday - Friday as is Drop-in to our city centre offices. We also offer home visits, appointments in neighbourhood venues or GP surgeries and support carers of people in hospital. We offer specialist support to carers of people with dementia, mental health issues, learning disabilities. We have a project for young adult carers, working carers, carers who have been bereaved and people affected by another person's drug and alcohol use. We run over 30 support groups, have an active events programme and offer training to carers as well as professionals in health and social care. We can offer some financial support with the cost of a carers break. All our information is published in a free bi-monthly newsletter.

Location of service provision						
Airedale, Wharfedale and Craven		Bradford City	Bradford District	Calderdale	Leeds North	
Leeds West	Leeds South and East	Greater Huddersfield	Harrogate and District	North Kirklees	Wakefield	
Brief description of organisation						
<p>Carers Trust is Britain's leading provider of support for carers and the people that they care for. We are a national network of charities employing over 5,000 trained professionals nationwide and working with over 35,000 carers to help them make a life outside caring.</p> <p>There are some 6 million people in Britain who care for others. Many of them reach a turning point, a "crossroads", at which they feel they need help.....where they may simply need a break or more regular support. This is what Carers Trust does and the core of what we offer in Mid Yorkshire.</p> <p>Not for Profit - As a charity we care for people not for profit. No-one cares more than Carers Trust, not just in the scale of what we do or in the 35 years' experience that we have, but in the special way that we think about care.</p> <p>Our Carer Support staff are not here today and gone tomorrow. They love their work and their training and long experience means that they understand what carers, and those they care for, need and feel. They know the simple things that really matter, they do the hard jobs with a smile and they take pleasure in fitting into family life.</p> <p>It is no surprise that our staff build long and trusted relationships and that more carers and people with care needs turn to Carers Trust for support than to any other social care provider.</p>

Additional information about organisation						
We are a network partner to the national Carers Trust organisation. We support both adults and children, in their own homes or out in the community to allow their carers to have a regular break from their caring						

role.

We provide regular short breaks to support carers to maintain their caring roles. We have an emotional support service which is free to the carer and charity funded to provide support once their caring role has ended. We have a charity children's day centre to provide parent carers with a weekend break from their caring roles. All support is person centred and we will not complete a call of less than an hour.

Name of organisation:		Carers Wakefield and District

Leeds West	Leeds South and East	Greater Huddersfield	Harrogate and District	North Kirklees	Wakefield	
Brief description of organisation						
We are a voluntary organisation with 26 staff supporting unpaid carers throughout the whole of Wakefield District. We offer advice, support and signposting. We work alongside Wakefield Council, Social services and the CCG in 3 connecting care hubs across the district to provide an integrated and 'linked up' approach to care. We hold drop in sessions at our offices as well as a number of monthly support groups. We also administer the 'My Time' grant through which carers can apply for up to £100 towards a break from their caring role.

Brief description of organisation						
We provide dance activities for older people with health and mobility problems, carers and people coping with bereavement. We currently run 5 weekly social groups and one monthly group. The dancing can be done sitting or standing, members can move at their level, and they don't need a partner or a good memory. DWB offers safe and gentle exercise, it's great for company and friendship, it's relaxing and uplifting but most of all it's FUN!						
Type of services provided						
Activities	Befriending	Day centre provision		End of life care	Information and advice	
Night care	Short breaks	Support groups – online and face-to-face		Training for carers	Training for other organisations	
Who are the services provided for						
Bereaved carers	Carers from BME communities	Carers of people with cancer	Carers of people with dementia and memory problems	Carers of people with learning disabilities		
Carers of people with a long-term condition	Carers of people with mental health issues	Carers of people with a physical disability	Carers of people with a sensory impairment	Carers of people with a terminal illness		
Older carers	Parent carers	People affected by another person's drug or alcohol use	Young adult carers (18-25)	Young carers (under the age of 18)		
Other: Many of our members are people who are not carers - people with health and mobility problems who live in the community.

Additional information about organisation						

Name of organisation:		Dementia Friendly Keighley				
Contact details:		DFK, 29 Brunswick Arcade, Airedale Shopping Centre, Keighley BD21 3QB info@dementiafriendlykeighley.org.uk				
Location of service provision						
Airedale, Wharfedale and Craven		Bradford City	Bradford District	Calderdale	Leeds North	
Leeds West	Leeds South and East	Greater Huddersfield	Harrogate and District	North Kirklees	Wakefield	
Brief description of organisation						
A charitable organisation established three years ago to make Keighley a more dementia friendly town for people living with this difficult illness.						
Type of services provided						
Activities	Befriending	Day centre provision		End of life care	Information and advice	
Night care	Short breaks	Support groups – online and face-to-face		Training for carers	Training for other organisations	
Other: A drop-in service. This is an appointment based service where a carer can leave the person with dementia in our care for a few hours whilst they take some time to do other things such as attend appointments, courses, or simply take time out.						
Who are the services provided for						
Bereaved carers	Carers from BME communities	Carers of people with cancer	Carers of people with dementia and memory problems	Carers of people with learning disabilities		
Carers of people with a long-term condition	Carers of people with mental health issues	Carers of people with a physical disability	Carers of people with a sensory impairment	Carers of people with a terminal illness		
Older carers	Parent carers	People affected by another person's drug or alcohol use	Young adult carers (18-25)	Young carers (under the age of 18)		
Methods of communicating with carers						
Newsletter / magazine	Email	Facebook	Twitter	Website		
Other: We have a unit in our local shopping centre which operates as an information and advice hub. We also create and distribute flyers to GP surgeries, local hospital, community mental health team, social services, carers resource and other allied services						
Additional information about organisation						
We are a charity and have been run solely by volunteers for the last three years. We have just appointed our first two employees to run our drop-in centre and help us to manage the overall running of the organisation.						
We are very keen to engage with local businesses and are looking to secure a business to sponsor us over the next phase of our development

Location of service provision						
Airedale, Wharfedale and Craven		Bradford City	Bradford District	Calderdale	Leeds North	
Leeds West	Leeds South and East	Greater Huddersfield	Harrogate and District	North Kirklees	Wakefield	
Brief description of organisation						
Dementia UK are a charity which provides specialist dementia support for families through the Admiral Nurse Service.						
Type of services provided						
Activities	Befriending	Day centre provision		End of life care	Information and advice	
Night care	Short breaks	Support groups – online and face-to-face		Training for carers	Training for other organisations	
Other: Admiral nurses provide the specialist dementia support that families need. When things get challenging or difficult, our Nurses work alongside people with dementia, their families and carers: giving them one-to-one support, expert guidance and practical solutions. The unique dementia expertise and experience an Admiral Nurse brings is a lifeline- it helps families to live more positively with dementia in the present, and to face the challenges of tomorrow with more confidence and less fear.						
Who are the services provided for						
Bereaved carers	Carers from BME communities	Carers of people with cancer	Carers of people with dementia and memory problems	Carers of people with learning disabilities		
Carers of people with a long-term condition	Carers of people with mental health issues	Carers of people with a physical disability	Carers of people with a sensory impairment	Carers of people with a terminal illness		
Older carers	Parent carers	People affected by another person's drug or alcohol use	Young adult carers (18-25)	Young carers (under the age of 18)		
Other: we provide support to all families affected by dementia pre- post diagnosis and after death						
Methods of communicating with carers						
Newsletter / magazine	Email	Facebook	Twitter	Website		
Additional information about organisation						
Dementia UK provide the only clinical helpline for carers of people with dementia , and it is FOC. Nurses are commissioned to work in many different settings, acute, community, hospice, care homes. Wakefield has nurses in the community (SWYFT) and in the Hospice so does Kirklees (Greater Huddersfield and North Kirklees), Harrogate has community nurses based at Dementia Forward (Ripon)						

Name of organisation:		Equality Together				
Contact details:		Equality Together Manningham Mills Community Centre, The Silk Warehouse, Bradford BD9 5BD enquiry@equalitytogether.org.uk 01274 594173				
Location of service provision						
Airedale, Wharfedale and Craven		Bradford City	Bradford District	Calderdale	Leeds North	
Leeds West	Leeds South and East	Greater Huddersfield	Harrogate and District	North Kirklees	Wakefield	
Brief description of organisation						
<p>Equality Together takes a holistic approach to clients. Clients coming forward for the Holiday Project often require further services, such as:</p> <ul style="list-style-type: none"> • help to book a holiday and carry out research on holiday destinations and facilities on behalf of the carer. • signposting to carer charities or condition specific charities; • benefits and/or housing advice; • disability discrimination cases; • help with transport, disabled person's & companion bus passes and Blue Badge applications; • help to purchase essential household goods and services through referral to other charities and applications for funding; • access to day trips run by the organisation for disabled people and their carers. <p>The Holiday Project worker can refer carers to additional services through the different departments within Equality Together. For instance, if capacity is available, the carer can receive benefits advice through this organisation if this is required. If no capacity exists, the carer will be signposted to the nearest available advice centre through the CAN Network. Sometimes, carers approaching us are very emotional and stressed and just want someone to 'offload' onto and within these conversations it becomes apparent what the carer's main issues and concerns are. Steps are then taken to help or signpost the carer as appropriate.</p> <p>Equality Together provides a service tailored to the individual client, which can include several different cases for the same client. The holiday project worker has the autonomy to assist the carer with any issues and problems they may have which fall outside of the Holiday Project. The holiday project not only gives a grant of up to £300 but can help to book a holiday and carry out research on holiday destinations and facilities on behalf of the carer.</p> <p>The application for the holiday project is often a gateway to the carer being made aware of other services available to them and how to access these services, especially if they are new to caring.</p>						
Type of services provided						
Activities	Befriending	Day centre provision	End of life care	Information and advice		
Night care	Short breaks	Support groups – online and face-to-face	Training for carers	Training for other organisations		
It is hoped that this year we can set up and run a regular Carers' Café, as we now have the facilities to do this. We would seek funding for this						
Who are the services provided for						
Bereaved carers	Carers from BME communities	Carers of people with cancer	Carers of people with dementia and memory problems	Carers of people with learning disabilities		
Carers of people with a long-term	Carers of people with mental health	Carers of people with a physical	Carers of people with a sensory	Carers of people with a terminal		

condition	issues	disability	impairment	illness
Older carers	Parent carers	People affected by another person's drug or alcohol use	Young adult carers (18-25)	Young carers (under the age of 18)
The holiday project for carers is open to all the above. In the case of a bereaved carer, the grant would still be available up until one year after caring responsibilities have ceased. We primarily provide support for adult carers.

Leeds West	Leeds South and East	Greater Huddersfield	Harrogate and District	North Kirklees	Wakefield	
Brief description of organisation						
<p>We deliver the National Looking after Me Course for carer which is part of the Expert Patients Programme. The course covers many different topics and issues related to the life and needs of a carer. It aims to show carers how to look after their own physical and emotional health needs and wellbeing. It aims to help you take time of your caring situation, increase confidence and make a positive difference to your life. We also deliver a series of one off Carer Journey Sessions which have been developed based on the feedback we have received from carers. The sessions include:</p> <ul style="list-style-type: none"> • Caring for someone with Memory Deterioration • Building Resilience as a carer • Safeguarding “ Everyone’s Business” (basic awareness sessions) • Juggling Time as a Carer • Caring for Someone with a Learning Disability (future session)

Additional information about organisation						
<p>The Looking after Me sits within the Health Trainers Service in Kirklees Council. We provide both the Looking after Me Course which is a 7 week course consisting of weekly sessions and the Carers Journey Sessions in group settings.</p> <p>Along with covering the content of the course/sessions we also share different ways in which carers can accept the changes in their lives as a result of their caring role. Carers are also provided with emotional support and tools to manage difficult emotions associated with being a carer. We are also able to provide specific information a carer may need for their personal situation as well as general information on local</p>						

and national carers services, self-care information, information on the condition the cared for person may have. Carers if required are referred or signposted to different services and organisations.

Carers who require more in-depth 1-1 support can be referred to our colleagues in the Health Trainers team who work with people with long term health conditions including difficult emotions, low levels of anxiety and sleep problems.

The person being cared for depending on their personal situation can be referred to the Health Trainer Service or attend the Expert Patients Programme.

Additional information about organisation						
As well as family members helping other family members (mostly survivors of trafficking/trauma) they also provide help and support to friends and contacts who don't have any friends or relatives. In addition, a fair number have no recourse to public funds - meaning that although they are forbidden from working (by law) and have no income (not allowed to claim benefits) - all NHS care which isn't primary care has to be paid for upfront. It's a very difficult situation. Anything you can do to help folk in this situation would be much appreciated

We operate 5 Live at Home schemes across West and South/South East Leeds, another covering Bradford and a further scheme based in Huddersfield. Live at Home schemes are the charitable community based arm of Methodist Homes providing support, information and advice to older people along with a really wide range of activities for older people. Our primary aim is to address social isolation and our services and support are very relevant for older carers.					
Type of services provided					
Activities	Befriending	Day centre provision		End of life care	Information and advice
Night care	Short breaks	Support groups – online and face-to-face		Training for carers	Training for other organisations
Who are the services provided for					
Bereaved carers	Carers from BME communities	Carers of people with cancer	Carers of people with dementia and memory problems	Carers of people with learning disabilities	
Carers of people with a long-term condition	Carers of people with mental health issues	Carers of people with a physical disability	Carers of people with a sensory impairment	Carers of people with a terminal illness	
Older carers	Parent carers	People affected by another person's drug or alcohol use	Young adult carers (18-25)	Young carers (under the age of 18)	
Other: Carers in all the above groups who are over 60 in the areas we operate in are welcome to join our Live at Home schemes. We have some specific activities that support carers of older people with dementia - including walk and talk and dementia cafes.

Additional information about organisation					
MHA is an award-winning charity providing care, accommodation and support services for older people. We are one of the most well-respected care providers in the sector and amongst the largest charities in Britain, providing services to older people for almost 75 years.					
Our Live at Home schemes, our community programmes provide a range of social activities, fitness and exercises programmes, services and newsletter to support older people retain independence and reduce feelings of loneliness and isolation.					
We have well established relationships with local authority, community health teams and are the first point of contact for many referrers including occupational therapists, hospital discharge teams, other voluntary sector organisations, churches and the social services when looking to signpost older people into support services which improve health and wellbeing.					
MHA pride itself on having a deep understanding of the issues affecting older people and base all service and support around their values. We employ a Scheme Manager who runs each scheme and					

who has responsibility for developing and managing the Live at Home Scheme to meet the needs of the older people within the local community. Each scheme operates within a set geographical area.

Location of service provision						
Airedale, Wharfedale and Craven		Bradford City	Bradford District	Calderdale	Leeds North	
Leeds West	Leeds South and East	Greater Huddersfield	Harrogate and District	North Kirklees	Wakefield	
Brief description of organisation						
We are a registered Charity and Company Limited by guarantee, we have three key roles, to provide a voice for the VCSE sector across the district, to provide development support for the sector and to lead on the bidding for contracts that are then delivered by our members within the sector. Our members include a number of organisations that either provide or directly support carers in a range of settings and needs. Our largest contract is currently the provision of a district wide Health and Well Being Service for adults aged 18+ which maintain strong links with carer support and provider organisations as well as potentially working directly with carers referred to the service, referrals include self-referrals.						
Type of services provided						
Activities	Befriending	Day centre provision		End of life care	Information and advice	
Night care	Short breaks	Support groups – online and face-to-face		Training for carers	Training for other organisations

Leeds West	Leeds South and East	Greater Huddersfield	Harrogate and District	North Kirklees	Wakefield	
Brief description of organisation						
<p>verd de gris is a not-for-profit creative arts company based in Hebden Bridge, West Yorkshire. We develop and deliver a range of creative projects with people in communities across the North of England.</p> <p>This work tends to fall into 3 main categories:</p> <ul style="list-style-type: none"> • inter-generational projects • health and well-being work • cross-cultural projects to increase levels of understanding and tolerance <p>One of our key aims is to bring 'the arts' to people who wouldn't normally consider getting involved in creative project work. We are keen to change people's lives through the power art has to connect - empowering young and old to 'find their voice' and take control of issues and concerns in their lives.</p>

We work closely with the WY&H Cancer Alliance						

Appendix E – Examples of good practice collated at the unpaid carers event

Bradford

- Carers' Resource goes into GP practices in Bradford. Have also built a relationship with CQC inspectors – inspectors going into GP practices can refer direct to Carers' Resource if they feel appropriate.
- 'Worth Connecting Project' – helping over 55s in Bradford district to get connected online. Safer Online Day – providing people with the confidence to go online to complete the necessary forms/applications.
- Bradford and Leeds and York Partnership – Triangle of Care
- Bradford District Care – Dedicated lead for carers. Every team has a carers champion

Calderdale

- A general sense that Kirklees is 'rich' in support for carers, whereas Calderdale is 'really behind'. The principles are there but the issue is around money and pressures in the system.
- South West Yorkshire Partnership Foundation Trust one of the first to establish a Carers' Charter
- Links back to personal budgets. Should be used innovatively SWYFT gave examples of bicycles; helmet, equipment; new kitchen – whatever can make a real difference to the life of the carer
- SWYFT and St Anne's Community Services – in mental health, drug and alcohol services, men see more men receiving help and support and it gains momentum
- SWYFT – work with schools looking at mental health and their understanding of the issues led to a young people's drama/play being performed in front of 100 community psychiatric nurses, social workers, etc and led to the formation of a young person's participation group in CAMHS.
- Good practice, Calderdale and Kirklees – development of a young carers' passport. Young people carry their passport and so don't need to explain to every teacher, every time, as and when they need access to their own or another phone to make contact with the person they care for; or they have been unable to complete homework due to their responsibilities; or need timeout in class.

Harrogate

- Consortium-based funding for Carers' Resource, based in Harrogate.

Kirklees

- Kirklees area has carer champions in GP practices – Carers Count - with specific funding to target primary care. They invite other providers in such as specialist mental health services.
- South West Yorkshire Partnership Foundation Trust one of the first to establish a Carers' Charter
- Links back to personal budgets. Should be used innovatively SWYFT gave examples of bicycles; helmet, equipment; new kitchen – whatever can make a real difference to the life of the carer
- SWYFT and St Anne's Community Services – in mental health, drug and alcohol services, men see more men receiving help and support and it gains momentum

- SWYFT – work with schools looking at mental health and their understanding of the issues led to a young people’s drama/play being performed in front of 100 community psychiatric nurses, social workers, etc and led to the formation of a young person’s participation group in CAMHS.
- Good practice, Calderdale and Kirklees – development of a young carers’ passport. Young people carry their passport and so don’t need to explain to every teacher, every time, as and when they need access to their own or another phone to make contact with the person they care for; or they have been unable to complete homework due to their responsibilities; or need timeout in class.
- Kirklees mental health forum
- Part of pathway At Front Door Info Services via a single point of access – e.g. health trainer service. The single point of access can be accessed by health, social and population. 1:1 or group flexibility
- Make every contact count e.g. in GP practices there are good examples of work in practices but not in others
- Carers Charter. Raise profile of carers across the community to acknowledge their importance
- Children’s health assessment – to identify young carers

Leeds

- One contract for carers services which provides one single point of contact and sub contracts
- Carers have one number only to ring to access all carer support
- Bradford and Leeds and York Partnership – Triangle of Care
- Leeds Teaching Hospitals – “John’s Campaign” covers all carers who are invited to be with patients as long as they want
- Leeds – WCEC “Working Carers” “Employers Community” – network of Leeds employers members of “Employers for Carers” (Carers UK)
- LTHT – as part of the Leeds commitment to carers includes commitment to support employees
- Red Cross Leeds – support for carers as well as for vulnerable patients at discharge. Strong relationship with Carers Leeds *7 days a week*. Volunteers can allow for flex in capacity
- Carers Leeds – Yellow cards – GP practices. GP can record and refer to Carers Leeds

Wakefield

- Live Well Wakefield – a social prescribing service helping people to manage long term conditions and combat isolation. Delivered by the third sector with SWYFT staff seconded in. Within the programme, small grants is available to allow the third sector to apply for funding to either prop up existing work or start new project.
- South West Yorkshire Partnership Foundation Trust one of the first to establish a Carers’ Charter
- Links back to personal budgets. Should be used innovatively SWYFT gave examples of bicycles; helmet, equipment; new kitchen – whatever can make a real difference to the life of the carer

- SWYFT and St Anne's Community Services – in mental health, drug and alcohol services, men see more men receiving help and support and it gains momentum
- SWYFT – work with schools looking at mental health and their understanding of the issues led to a young people's drama/play being performed in front of 100 community psychiatric nurses, social workers, etc and led to the formation of a young person's participation group in CAMHS.
- Wakefield – working carers – identifying gaps
- Wakefield Carers – pink card - important role in helping carers who may not identify themselves as carers to access services
- Equality objectives – access to primary care in Wakefield (Carers)
- Carers Wakefield located in hubs – works well
